## MORE THAN AN EDUCATION...A PROMISING FUTURE

### Open House

The school hosted its first Open House for new prospective parents/students on Saturday April 20th, 2013. It was a huge success with a large turn out of families interested in finding out more about Maple Leaf International School. Information was well received about our school, faculty and programmes and how Maple Leaf develops a child into a future leader. Thank you to all staff and students who came out and assisted in the Open House.

### What's Your Write?

The MLIS story contest is in its 7th year and has drawn school wide participation. One of the many aims of this contest is to provide students with a platform to write stories of various genres, engage in many different types of writing and to explore the use of technology in writing. This year we have expanded our reach in terms of categories and also as regards to our contest launch. We look forward to receiving the student entries.

## Maple Leaf Charity Golf Tournament

Last year, Maple Leaf held its first ever Charity Golf Tournament and Walk-a-Thon, which was a great success. This year, we look forward once again to our Charity Golf Tournament, which will be held at St. Andrew's Golf Club, Moka, Maraval, on Sunday, May 19<sup>th</sup>. The Board and the PTA have been putting much time and effort into this year's Golf Tournament, Walk-a-Thon and Family Day, bringing together the corporate community, parents, teachers, students and the administration. This year's proceeds will go towards the

upgrading of our classrooms with "Smart" technology, as well as donating to the St. James Police Youth Club and Christ Child Home.
