

MLIS Senior Yearbook 2014/2015 Advertising

This year the Yearbook Committee has had an early start to the creation of our school's secondary yearbook, and once again we call upon your valued patronage through advertising to help offset the cost of these pages.

This is the third year that this committee has been working together, successfully creating yearbooks. Like last year, we have decided to develop our yearbook with Entourage Yearbooks, in New Jersey. Recently, Entourage informed us that our yearbook received an Honourable Mention for its theme design.

Your advertisement is perfect way to support the school. Whether it's a small home business, or piano or art lessons, or business services such as real estate, landscaping, tax consulting, or legal counsel — this is a good way to get your message out.

Another plus with advertising in our yearbook is added exposure through our Maple Vision monitor in the lobby where we run our yearbook digitally.

We thank you in advance for your patronage. The MLIS Yearbook Committee is depending on your support to help us produce a successful yearbook. There may be limited space and availability, so don't miss this opportunity! If you have any questions concerning your ad, please contact **Jill Mason at: jmason@mapleleaf-school.com**

Note: Ads can be paid for with cash or check made payable to "Maple Leaf International School"
